Subject: Letter of Recommendation for Sandy Dong

To Whom It May Concern:

Sandy worked under my supervision as a texture painter during the production of the *Matrix Reloaded*. During the course of her employment, Sandy proved herself to be an exceptional and able employee, a hard worker, and a talented fine artist.

I was always impressed by Sandy's ability to complete all work assigned to her on time and to the highest level of quality. Her research was always thorough and comprehensive. Not only was she an excellent texture painter but also she was more than happy to accommodate our constantly changing texture pipeline.

I am very sorry to see Sandy depart ESC. She will be a great loss to us and I am sure that she will be an excellent asset to any future employer. I highly recommend Sandy.

Sincerely,
